MAASive LATES

FREE ADULTS ONLY NIGHTS AT POWERHOUSE MUSEUM

The 2016 MAASive Lates program has been announced with four, free after-hours events for adults curated by the Museum of Applied Arts & Sciences and co-produced with partner organisations, artists and festivals.

On Thursday 24 March the first MAASive Lates for 2016 will celebrate super heroes with The Art of the Brick: DC Comics open after hours and a new artwork by international LEGO® artist Nathan Sawaya unveiled to coincide with the release of highly anticipated blockbuster movie *Batman v Superman*. Local acrobatic super heroes **Legs on the Wall** will perform a new work devised specially for MAASive Lates: Super Heroes. Create your own super hero moments against a birds-eye perspective photo wall. For one night only, The Art of the Brick: DC Comics exhibition will be open until late and discounted to \$18 (usually \$26) for MAASive Lates audiences

MAASive Lates is a series of one-off events curated by the Museum of Applied Arts & Sciences, opening the Powerhouse Museum at night for adults-only parties, performances and interactive experiences. Each MAASive Lates event expands upon themes that underpin current exhibitions at the Powerhouse Museum and embody the MAAS commitment to being a catalyst for creative expression and curious minds.
