

① WHAT STAR NAME WOULD YOU LIKE?

Please PRINT CLEARLY and note this is case sensitive; leave unwanted boxes blank.
Maximum 30 characters including spaces. (eg, Geoff's Star -or- GEOFF'S STAR)

--	--	--

② WHO IS THE STAR FOR?

Family Name

First name/s

Address (For records only. Please Note: nothing is posted to this address.)

Street Address

Suburb State Postcode

Country

③ STAR DETAILS

The town/city in Australia from which the star will be viewed:

The occasion or reason for the star, if any, that will be reflected in the covering letter. (eg, birthday, Christmas, Valentine's, remembrance, etc.)

PLEASE ALSO CHOOSE ONLY ONE OF THE FOLLOWING:

a) A DATE: which will appear on the certificate as the date when the star was named. Note that the week around the date on the star maps is the best time to see the star, though the star is visible for 7 weeks either side of this date.

__ / __ / __
Date (Day / Month / Year)

b) A CONSTELLATION: If you do not have a specific date that you want to appear on the certificate, choose a constellation from the list on the back and we will pick the best available star in that part of the sky. Each constellation is easily visible for about 3 months each year.

Constellation Name

There is room for a special message to be placed on the certificate. (A few words, lines, rhymes, or poems are common; 30 words max.)

Do you have any special requests?

no, thanks

yes, please call to discuss

④ WHO IS GIVING THE STAR?

(This name/s appears on the letter: eg, From Jane & Peter Smith -or- From the Jones Family) No messages here please, name only.
