

POWERHOUSE MUSEUM

FAMILY GUIDE

Our Museum is a magical place for families to **explore, play and learn**

VISITING THE POWERHOUSE MUSEUM WITH CHILDREN IS EASY

- Our staff and volunteers are here to help you make the most of your visit. If you have any questions, special requirements or want to know more about an exhibition, please ask.
- Did you know many of our major exhibitions include a dedicated children's activity space?
- While food and drink aren't permitted inside the Museum, breastfeeding, bottles and small snacks for children are fine when consumed away from our collection items on display.
- Our cafés are child-friendly, with seasonal children's menus and highchairs available. The Junction Café on level 1 is also next to the playground.
- Every school holidays we offer dedicated programs for children, with free and paid options.
- Download the free MAAS app for a handy guide to what's on each day at the Powerhouse. Search MAAS Museum in your app store.
